Come join NomadHope.org for our African Music Festival on Sunday, June 10th from 1:00-5:00pm at the Sangria Restaurant in Hermosa Beach.

Three musicians from Tidawt, a popular Tuareg band from Niger, are coming to Los Angeles to help celebrate Nomad Hope's work in Niger.

Nomad Hope is a non-profit foundation raising funds to build a solar-powered Community Center that delivers electricity, pure water, health and education information, and a wireless Internet connection in the remote Sahara Desert village of Ingal, Niger. The mayor and community of Ingal are very excited about the proposition of having a center there for computer learning programs, after school programs for children and teens, as well as other solar powered, technology based programs.
